

Warranty Statement

MESSAGES – All invoices have a message that pertains to warranty coverage or core eligibility that begins at the date of the invoice. Any claims or returns will not be considered after that time frame.

VENDOR WARRANTY – Parts may carry a vendor warranty and are not covered directly by Vander Haag's Inc. Vander Haag's will return defective parts into the vendor along with any other requested documentation or parts. Evaluation can take up to 90 days and credit is at the discretion of the vendor. Credit will not be issued to the purchaser unless issued by the vendor.

USED ENGINES – Vander Haag's, Inc.'s used engine warranty covers the Basic Engine: Block, crankshaft, camshaft, bearings, internal gears, valve lifters, rocker arm assemblies, push rods, valve guides, pistons, rings, cylinder liners, connecting rods, cylinder heads, head gaskets, and all engine long block internally lubricated parts. Other engine gaskets and oil seals will be covered only when replaced during repairs or replacements of the above parts. The warranty does not include engine accessories, including but not limited to: wiring, electronic control modules, electronic sensors, sending units, fuel pumps, fuel injectors, carburetors, water pumps, air compressors, A/C compressors, power steering pumps, turbos, oil coolers, after coolers, fan clutches, flywheels, alternators, starters, intake manifolds, exhaust manifolds, engine brakes, engine covers, EGR components, or motor mounts. Oil filters, oil, gaskets and seals must be replaced by the customer at the time of installation of the used engine as well as fluids added. It is recommended that the installer replace the front and rear main seal prior to installing the engine.

REMANUFACTURED ENGINES – Vander Haag's Inc. remanufactured engine warranty covers defects in material or workmanship for one-year, unlimited miles, limited parts and labor. The warranty does not include sensors or maintenance items. Warranty will be void under conditions of misuse or abuse, performance or emissions, tampering, or any other modification outside of its original remanufactured configuration.

TRANSMISSIONS & DIFFERENTIALS – Vander Haag's, Inc.'s transmission and differential warranty coverage is limited to the new, used, or rebuilt internally lubricated components. Exclusions of coverage include, but are not limited to, incorrect fluids, oil leaks because of seals and gaskets, electrical components, or installation error by a third party service center.
