## PLATINUM SERIES

### ***Welcome to a superior standard***

Quality is our standard. The Stoughton Platinum Series commodity trailers are the only hoppers that offer an aluminum sub frame, eight aluminum disc wheels, stainless steel front corners, and an all LED lighting package as standard features.

At Stoughton we believe that time is money. The Platinum Series is equipped with our 2-stage trap which features a superior design for ease in opening. Not to mention a warranty backed by the one of the largest trailer manufacturers in the industry.
